--- CANADA LEAF ONLY - Windsor Division - “Series of 1881” - 3rd BABN Contract ---

--- 1/20th pound - perforated 12 - *lithographed* in GREEN ink - 4 mm. blue controls ---

--- 238 x 20 mm. - inscribed *James Gow / Collector* **- scanned at 67% scale ---**

Chris Ryan reports that *James Gow* replaced *C. F. Labadie* as Collector at Windsor on June 1st 1876.

3rd BABN Contract (1878-1886) — John McKay records 109,200 *lithographed* copies of “1-20 Green Leaf Ribbon” were ‘delivered’. There were no 1/20th pound “Canada Twist Only” or “Tabac Canadien / en Torquette” strips, so all of these “Green Leaf Ribbon” were inscribed “Canada Leaf Only”

4th BABN Contract (1886-1892) — John McKay records in the first TOBACCO section of the 4th BABN Contract the ‘delivery’ of 10,008 *lithographed* copies of “1/20 lb. Green Canada Leaf”

These were *control-numbered* copies released to the Area Collectors in 1886-87, after they had been declared *obsolete* on July 1st 1883, probably *with* the Department’s permission to use the residual stock of control numbered 1/20th pound green strips.

Lastly McKay records that 16,476 *lithographed* copies of “1/20 Green Ribbon” were ‘Delivered’ under the second ‘TOBACCO’ section **4th BABN Contract**. This second ‘TOBACCO’ section is a listing of the *obsolete* issues that were ‘Delivered’ by BABN to the “Inland Revenue Department” in February / March 1888 for disposal.

The total is 109,200 + 10,008 + 16,476 = 135,684

--- The highest control number - as recorded to date ---

1/20 pound, Windsor Division - **000095**

The catalogue lists the 1/20th pound Windsor Division CANADA LEAF ONLY strip as follows:

RP-137 - 1/20th pound, green, perforated 12, Windsor Division, on *block wmkd* vertical mesh wove - 4 mm. blue controls

RP-137n - 1/20th pound, green, perforated 12, Windsor Division, without control numbering
Lithographed on *block watermarked* vertical mesh wove

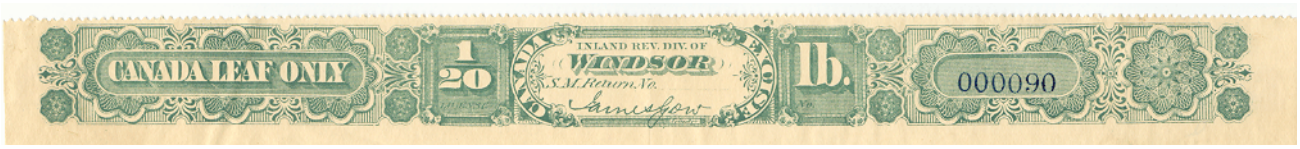
Judging by the following imperforate (on *unwatermarked* horizontal mesh wove) **RP-138** should exist, at least as **RP-138n**.

RP-138 - 1/20th pound, green, perforated 12, Windsor Division, on *unwmkd* horizontal mesh wove - **WANTED!**

The following imperforate strip is a remnant. It has been scissor-clipped from an unfinished imperforate sheet. Since it was not a production item, I feel that it is preferable to simply list it without a separate catalogue number.

1/20th pound, green, *imperforate*, Windsor Division, without control numbering
Lithographed on *unwatermarked* horizontal mesh wove

--- RP-137 - 1/20th pound - perforated 12 - on *block watermarked* vertical mesh wove ---



RP-137 - 1/20th pound, green, perforated 12, Windsor Division, control number **000090**
Lithographed on *block watermarked* vertical mesh wove

000008	RP-137	1/20th pound, perforated 12, block watermarked vertical mesh
000012	RP-137	1/20th pound, perforated 12, block watermarked vertical mesh
